The Supreme Court yesterday affirmd the judgment of the lower court in the well known case of Aldr ch against lassinger, and the heirs of Marcha C. winton will receive the property in igntion, which is situated on the maka side of Beretania street, Waikiki of he Queen's Hospital. By the decree James Smith, the trustee was delared guilty of fraud in attempting to cure for himself a good title to the Saturday, October 27. property. The case has been in the Judicial District, was decided yesterday ourts since 1891 and it dragged on bythe Supreme Court, the decision of priginal parties were dead. Mrs. Martiff being affirmed. er death she made a deed to the proprty to Smith, who was her best and most intimate friend intending him to hold it in trust for her five nieces and ephews. After her death Smith laid laim to the land.

The opinion is written by Justice Per ry and concurred in by Justice Galbraith, but a dissenting opinion is filed by J. A. Magoon, who was in place of Chief Justice Frear who was disquallfied. The court says in the course of the opinion which is of considerable length: "We are satisfied that the evidence that at the time it was the intention of Mrs. Swinton to make a last and final disposition of her property testawhat she at first desired. she had then in mind a will or a deed is not perhaps, entirely clear, but the circumstances of the case and the respondent's own evidence furn'sh strong grounds for a believing that a will was what she at first desided. The vidence goes to show that Smith advised her against making a will be-

ontest by relatives not provided for in the will. "We believe and find that it was the desire of Martha C. Swinton at the time the asked Smith's assistance in the drawing up of the necessary instrument that the whole beneficial ownership in the property should rass to her five nephews and nieces and that the estrument to be drawn up should be

### TAX ASSESSOR LOSES

The Supreme Court in an opinion handed down yesterday in the case of R. R. Hind vs. N. C. Wilfong, Tax Asessor, holds that where the valuation Tax Appeal Court is fair and just an appeal by the Tax Assessor cannot lie. Justice Galbraith writes the opinion and it is concurred in by Chief Justice Prear and Justice Perry. It was an apreal from the Tax Appeal Court of Kohala, Hawaii, by the Tax Assessor of the district. The valuation of the Hawi plantation at Kobala was returned by R. R. Hind at \$223.351, and the Tax Asersor increased this to \$257.500. Tax Appeal Court reduced this to \$255 .-000, the same as the valuation for the preceding year.

It appeared that more land had been quired by the plantation, but also that this lay at a high level and that the feasibility of irrigating it was unertals. It was likewise shown that the yield of the plantation per acre had 210.55.

The appeal of the Tax Assessor is the Pederal penitentiary at Fort Leav- dismissed and the order placing a val-enworth, was filed in the United States untion on Hawi plantation at \$265.00 is untion on Hawi plantation at \$265,000 is court here today. Supreme Court's file land by its landlord was estopted from de ying the late to title thereto and I kewise that the 1 nd in legislation was really a part of defendant's land.

There seems to have been consider able difference of opinion as to the real extent of the tract and the surveys seemed to have been all wrong. The opinion of the court which is written by Chief Justice Frear and con urred by Justice Galbraith and W. A. Whiting, who sat in place of Justice Perry, goes deeply into the testimony. t is held that the claim of the defend ant to the land in question is well founded from the evidence

The points of law decided are: "Parol evidence is admissible for the purpose of removing lantane amb guitles and locating the land described in a patent. In construing a patent and ocating the land, all parts of the patent must be considered and mis akes in certain calls may be corre ted by reference to other calls and the land to which they are applicable."
